

CIA INTERNAL USE ONLY

JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 16 August 1967

1. (Internal Use Only - JSW) Senator Birch Bayh called me to indicate that the Judiciary Committee yesterday had reported out S.1035. He stated that an amendment to exempt CIA and NSA had not received affirmative action by a 6-6 vote. He read me the language of the amendment which did afford a partial exemption for the Agency and NSA. Unfortunately, he had an urgent out of town call and we did not finish our discussion. It was agreed we would go into this in more detail later.

Later in the day picked up in Senator Bayh's office the actual text of the amendment. Miss Voorde also indicated that the Senator had stated that he had heard that Senator Hruska planned to offer a floor amendment to grant CIA and NSA a complete exemption.

2. (Internal Use Only - JSW) Talked with Richard Nelson, in the office of Senator Roman L. Hruska, to see if he had any information on Hruska's plans on S.1035. He stated that he had not been in touch with the Senator today but would check into this and advise.

3. (Internal Use Only - JSW) Talked to Mr. Darden, Senate Armed Services Committee staff, advising him of the Judiciary Committee action yesterday on S.1035. I specifically requested that as soon as possible, he advise the Chairman of the Agency's concern about this bill. Mr. Darden indicated that he doubted very much that Senator Russell would be willing to sponsor a floor amendment to exempt the Agency.

4. (Internal Use Only - JSW) The Director, accompanied by Messrs. [redacted] and Warner met with the CIA Subcommittee of House Armed Services. See Memorandum for the Record.

5. (Unclassified - JSW) Talked with Mr. Kelleher, House Armed Services Committee staff, about the Agency legislation. It was agreed that we would prepare an analysis to assist him in working with the Philbin Subcommittee. Mr. Kelleher also stated that he doubted that the Subcommittee could conduct any hearings on this until after the Labor Day recess.
